

ACTIVITY 7: MEMORIZE DECK OF CARDS

Overview

- i. The competitor is given a randomized deck of cards (the order is the same for each competitor).
- ii. The competitor must then sort the second deck the same as the randomized deck.
- iii. Competitors are scored on the length of the correctly ordered cards.

Instructions

- i. The randomized deck of cards is placed on the table in front of the seated competitor.
- ii. Once the bell is rung, Competitor may pick up the cards to study the order.
- iii. Competitors may not make notes at any stage.
- iv. After the competitor has stated their desire to continue, the competitor will hand the randomized deck to the Activity Adjudicator.
- v. Then the Activity Adjudicator will give a second deck “fresh” deck to the competitor.
- vi. The competitor must reorder this deck to match the randomized deck.
- vii. When the bell is rung a second time the activity is over. The competitor will place their reordered deck of cards with the first card face up on the table for scoring.

Scoring

- i. Competitors receive points by achieving the longest non-error sequence possible..
