

## ACTIVITY 8: WORD FIND

### Overview

- i. A word find game requires players to locate words in a grid of seemingly random letters and circle the words with a pen.
- ii. The “words” in this version of the Activity are nonsensical groupings of letters to ensure it is language neutral.

### Instructions

- i. A colored pen and three word find puzzles (small, medium and large) will be placed face down on the table in front of the seated competitor.
- ii. Once the bell is rung, the Competitor may attempt to complete the word find puzzles in any order they wish.
- iii. Note, the ‘words’ can be in any order such as left to right or right to left.
- iv. When the bell is rung a second time the activity is over. The competitor hands their completed answer sheets to the Activity Adjudicator for marking.

### Scoring

- i. Competitors will be awarded 1 mark for each correctly circled word.
